EMPOWERING WITH HIVISION FOUNDATION

Hivision Foundation, established in 2022, unites compassionate leaders in Hyderabad, including Laila Khan, a seasoned professional with entrepreneurial expertise. Their mission

is to combat India's school dropout crisis, empowering 10,000 underprivileged children by 2035. They provide financial support and comprehensive training to students achieving a minimum of 70% in Class 10 exams from families with monthly incomes below ₹25,000. This initiative aims to create well-rounded individuals for success in a competitive world. This initiative aims to create well-rounded individuals for success in a competitive world, ensuring a brighter future for India's youth.
